

The Knickerbocker Family

Church Planters to Wilmington, Delaware

Deputation Report

We are thrilled to see the Lord's blessing in our year of deputation. We are currently at 90% of our needed support. With two more meetings and waiting to hear from a few churches, we are confident that we will be reaching 100% support level by the end of March.

John & Romans Distribution

Saturday, February 25th was the first week of our John & Romans distribution. We have 25,000 door hangers ready to be distributed across the Wilmington area. This past Saturday we saw over 50 people come help us in reaching our goal. It was a joy to see the Word of God getting into homes. We are praying that we will see fruit as a result of this outreach. Over the next few weeks several churches will be helping us with the task at hand. If your church would like to be involved in helping us on Saturdays or any time during the week please contact me.

Sunday Afternoon Services and Prayer Meeting

Since starting our Sunday afternoon service on December 11th we have seen over 35 visitors come to First State Baptist Church. Each week we have seen faithful attendance from several families in the area. We are praying that 5 families will join FSBC when we start. We have been meeting once a month on a Thursday evening for a time of prayer for the start of First State Baptist Church.

Thank you Pastors, Churches, Family, and Friends!

It has been such a blessing and encouragement to travel on deputation. We are grateful for the many churches that hosted our family. Each family we stayed with were so kind to us. We wanted to thank each pastor for giving us the opportunity to present our church-planting burden. Thank you to all our prayer warriors! What the Lord has done during this past year could have only been God's doing. Prayer works! With your continued prayers and support we are looking forward to see what the Lord will do!
