

# FIRST STATE BAPTIST CHURCH

*Wilmington, Delaware*  
STARTING APRIL 2<sup>ND</sup>, 2017

Dear Pastor,

The Lord has called our family to start an Independent Baptist church in the great city of Wilmington, in the state of Delaware. I developed a burden for the Northeast region of our country while I was training for the ministry. There is no doubt that the answer for America is not a better president or elected officials, but a renewed push for church planting across our land. After serving as an assistant to the pastor for five years at Capitol Baptist Church in Dover, Delaware, I know the Lord has lead me and my family to launch out to start First State Baptist Church. The city of Wilmington could use several Bible believing, Bible preaching churches with a vision for world evangelism !

We are currently on deputation to raise \$5,000 monthly support. With our starting date set for April 2<sup>nd</sup>, 2017 we believe the Lord can enable us to reach that goal in a year. Please pray about partnering with us in the work of God.

We serve a living Saviour ! And therefore we are excited about the prospects of the future ! Please pray that God would send laborers to the Northeast, pray for the city of Wilmington, and pray about partnering with our family.

Sincerely,

Sam Knickerbocker  
Church Planter
