

GATEWAY BAPTIST CHURCH

April 18, 2016

Dear Pastor,

I have known Missionary Pete Knickerbocker since 1985. We had the Knickerbockers come to Gateway not long after I became the pastor in 1998. Sam Knickerbocker grew up in the home of a church planting missionary in France. I know that he has gained much practical knowledge from his dad.

Brother Sam Knickerbocker has preached in our church several times. We recently had the Knickerbockers in to present their church planting ministry in Wilmington, Delaware. Our church family was challenged by his preaching. We hope to have a part in their ministry as soon as we are able.

Brother Knickerbocker is sound in his doctrine and conservative in his music. They are a godly young couple with well behaved children. They will be a blessing to your church. They are an excellent example for both young people and young married couples.

There is a great need in Wilmington and I believe the Lord will use the Knickerbockers to establish a strong church there.

Sincerely,

Pastor David Landers
