

It is a joy to recommend to you Samuel and Justine Knickerbocker as church planters to the city of Wilmington, Delaware. Sam and Justine have been on staff here at Captiol for five years and have done a tremendous job. They are both hard workers, doctrinally strong, and have been involved in just about every aspect of the ministry. Sam has preached often in our services, worked with the Youth, organized Youth Camps and Vacation Bible Schools, designed and developed our webiste, and much more. He has truly been a blessing. Justine has worked in the Christian school, as a church secretary, has headed up our nursery, sung special music and is always willing to do whatever asked.

Although we will miss them, we believe that they will do a wonderful job as a Pastor and Pastor's wife to the chruch in Wiliminton. I ask that you would please pray for them and if possible, consider supporting them financially as they follow the Lord's will in this very need place.

In Christ,
